CLIFFORD HALLAM HEALTHCARE (CH2) Expands its Melbourne Site to 20,000sqm

30.07.2018
Melbourne

Clifford Hallam Healthcare (CH2) is pleased to announce the opening of our new Melbourne site based in Keysborough South.

The new site is located in The Key Industrial Park Victoria. The 5 Green Star facility accommodates a 20,000 sqm warehouse, 1200 sqm office space across two levels and 150 car spaces.

The warehouse is temperature controlled, schedule 8 compliant and is fitted with state of the art equipment.

This brand new custom-built facility doubles the sites foot print and supports the company's growth strategy.

"The decision to expand our facility is in line with the current growth we are experiencing in the Community Pharmacy sector" said Carmen Riley Chief Operating Officer of CH2.

"In 2017 we were appointed as a CSO distributor. Whilst CH2 had been supplying Community Pharmacies for many years, we felt it was important to seek out CSO Distribution to provide an alternative for our Community Pharmacy customers."

"Recognising the need for an Independent partner we have now expanded our range to include full OTC and front of shop lines."

Clifford Hallam Healthcare is now a full line wholesaler with the infrastructure in place to service Community Pharmacies Nationally.

In addition to a full range, Clifford Hallam Healthcare can provide your team with access to supplier promotions, competitive prices, easy online ordering and POS integration.

For more information on new initiatives contact our Community Pharmacy Team.
